Legres investigates the possibilities for issuing a senior secured bond

Legres AB (publ) (the “Company”) has mandated SEB to arrange a series of Nordic fixed income investor meetings on June 10-12th in order to investigate the possibilities for the Company to refinance its outstanding 2017/2020 bond loan early through the issuance of a new bond loan.

Subject to the prevailing market conditions a SEK 500m 3-year fixed and/or floating rate senior secured bond may follow. The proceeds from such a bond issue will be used towards refinancing of the outstanding bond loan and general corporate purposes.
